HEAVY-WALL PVC STANDARD BAILERS

Made from white Schedule 40 PVC pipe with a PVC rope pin lifting bail and a PVC bottom ball check valve insert. End fittings are press fit - - no solvent cement is used or necessary. The bailers are flush joint threaded in the middle for easy cleaning and the addition of 5' bailer extensions. We stock the 5' bailer extensions for the 1", 1-1/4", 2", and 3" bailers.

Bailers to Sample 1-1/2" & Larger Pipe
