

#585 AQUANOT II Backup Sump Pump

\$ 689.00
585

The Zoeller Aquanot II model 585 is a 12 Volt pedestal style backup sump pump, that you can add to your existing sump pump system to protect against power outage problems. The pedestal and shaft are stainless steel, and the base is non-corrosive. The 585 Aquanot II is equipped with an automatic electronic 25 amp charger to maintain and recharge the battery. A fully charged 105 amp hour battery will allow this pump to run continuously for 7-1/2 hours. Shipping wt. 35 lbs.
